Special City Council Meeting was called to order at 5:44 p.m. by Mayor Packer.

**Consider and Approve Forsgren Engineering to recommend and Award R. S. Jobbers the bid for the Wastewater Plant Screen Building (5:30)**

The City of Franklin received one bid on October 27, 2023, for the Franklin Screen Building project. The bid was received from RS Jobbers for \$338,270.00. The bid contained sufficient evidence to determine compliance with the criteria.

The purpose of the special meeting is to consider and approve awarding the bid to RS Jobbers for the Wastewater Plant Screen Building project. The award is contingent on concurrence by all funding agencies. Once approved RS Jobbers would like to get started on the project before the weather gets too bad.

Mayor Packer stated that Craig Rasmussen has worked with RS Jobbers and highly recommended them.

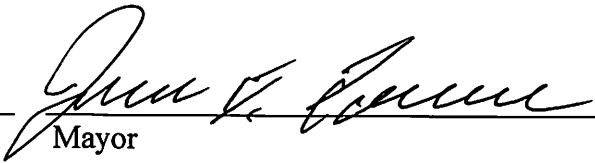

It was moved by Councilmember Kevin Beck and seconded by Councilmember Lyle Fuller to approve Forsgren Engineering to recommend and award RS Jobbers the bid for the Wastewater Plant Screen Building project. Motion passed.
